

ANTI-INFLAMMATORY FOOD GUIDE

What to Eat, Limit, and Avoid

Reduce inflammation naturally with the right foods on your plate

EAT FREELY

Anti-inflammatory powerhouses

FATTY FISH

Salmon, Sardines, Mackerel, Anchovies, Herring

MEAT AND POULTRY

Grass-Fed Beef, Bison, Lamb, Pasture-Raised Chicken, Turkey, Bone Broth

EGGS AND DAIRY

Pasture-Raised Eggs, Ghee, Grass-Fed Butter, Full-Fat Yogurt, Kefir

HEALTHY FATS

Extra Virgin Olive Oil, Avocado Oil, Coconut Oil, Avocados, Olives

VEGETABLES

Leafy Greens, Broccoli, Cauliflower, Asparagus, Zucchini, Mushrooms, Garlic, Onions

FRUITS AND BERRIES

Blueberries, Strawberries, Cherries, Blackberries, Lemons, Limes

NUTS AND SEEDS

Walnuts, Almonds, Flaxseed, Chia Seeds, Hemp Hearts

SPICES

Turmeric, Ginger, Cinnamon, Rosemary, Oregano

BEVERAGES

Water, Green Tea, Bone Broth, Herbal Tea

LIMIT

Small amounts may be okay

GRAINS

White Rice, Oats, Quinoa, Sourdough Bread

DAIRY

Aged Cheese, Heavy Cream, Cottage Cheese

NIGHTSHADES

Tomatoes, Peppers, Eggplant, Potatoes (*may trigger inflammation for some*)

LEGUMES

Lentils, Black Beans, Chickpeas (*soak before cooking*)

STARCHY VEGETABLES

Sweet Potatoes, Beets, Carrots, Winter Squash

FRUITS

Bananas, Grapes, Mangoes, Pineapple (*higher sugar*)

NATURAL SWEETENERS

Raw Honey, Maple Syrup, Stevia (*in moderation*)

ALCOHOL

Red Wine (*1 glass occasionally*)

COFFEE

Black Coffee (*1-2 cups, no sugar*)

AVOID

Known to increase inflammation

SEED OILS

Canola, Soybean, Corn, Sunflower, Safflower, Cottonseed, Vegetable Oil

REFINED SUGAR

Candy, Soda, Fruit Juice, Ice Cream, Pastries, High-Fructose Corn Syrup

PROCESSED FOODS

Fast Food, Chips, Crackers, Frozen Meals, Deli Meats with Nitrates

REFINED GRAINS

White Bread, White Pasta, Flour Tortillas, Cereal, Muffins

TRANS FATS

Margarine, Shortening, Hydrogenated Oils, Non-Dairy Creamers

ARTIFICIAL ADDITIVES

MSG, Aspartame, Sucralose, Artificial Colors, Preservatives

GLUTEN

Wheat, Barley, Rye, Spelt (*common trigger*)

EXCESS ALCOHOL

Beer, Cocktails, Spirits (*more than occasional use*)

DAIRY (FOR SOME)

Conventional Milk, Processed Cheese, Flavored Yogurt

Start simple: swap one "Avoid" food for one "Eat Freely" food each week.
