## KETO SUCCESS TIPS

### HYDRATE

Drink plenty of water. Add electrolytes if needed.

### EAT ENOUGH FAT

Fat is your fuel on keto. Don't be afraid of it!

### TRACK NET CARBS

Net Carbs = Total Carbs - Fiber  
Aim for 20g net carbs or less per day.

### SALT YOUR FOOD

Keto can flush electrolytes. Sodium, potassium & magnesium are key.

### BE PATIENT

It takes time to adapt. Consistency is everything.

### SLEEP & MANAGE STRESS

Both impact cravings and results.

KEEP IT SIMPLE. STAY CONSISTENT. YOUR RESULTS WILL FOLLOW.
