

HOW TO LION DIET

 EAT LIKE A LION. HEAL LIKE A LION.

WHAT IS THE LION DIET?

The Lion Diet is an elimination diet that consists of only animal products from ruminant animals. It removes potential food triggers to give your body a chance to heal and reset.

WHAT CAN YOU EAT?

RED MEAT

Beef (preferred)
Lamb
Bison

FAT

Eat the fat.
It's essential.

WATER

Still or filtered
water

SALT

Redmond Real Salt
or sea salt

THAT'S IT. NOTHING ELSE.

THE BASICS

Eat ruminant meat

Focus on beef, lamb or bison.

Eat to satiety

Eat when hungry.
Stop when full.

Eat the fat

Fat is your fuel.

Hydrate

Drink plenty of water.

Keep it simple

The fewer variables, the
better the results.

TIPS & TRICKS FOR SUCCESS

Choose quality meat

Grass-fed, grass-finished
is best.

Cook simply

Salt to taste. Keep it
basic—grill, bake, or pan-fry.

Use enough salt

It helps with electrolytes,
energy, and digestion.

Eat enough

Don't undereat. Your body
needs fuel to heal.

Be patient

Give your body time to adjust
and heal. 30–90 days is ideal.

Expect detox symptoms

Headaches, fatigue, skin flare-ups,
or digestive changes can happen.

Avoid snacking

Let your body rest between
meals and get hungry.

Trust the process

Healing isn't always linear,
but it's worth it.

WHY IT WORKS

Eliminates
food triggers

Reduces
inflammation

Supports gut
healing

Resets the body
& immune system

WHAT TO EXPECT

PHASE 1 ADAPTATION (1–2 WEEKS)

Your body adapts
to using animal
foods and fat
for fuel.

PHASE 2 DETOX (2–6 WEEKS)

You may experience
detox symptoms
as your body
clears out toxins.

PHASE 3 HEALING (6+ WEEKS)

Energy improves,
symptoms reduce,
and your body
begins to heal.

Everyone is different.
Listen to your body and
move at your own pace.

LION DIET TRACKER

Use this tracker to stay consistent and see your progress.

DAY	1	2	3	4	5	6	7	8	9	10	11	12	13	14
 MEAT (ate only lion foods)														
 WATER (8+ glasses)														
 SALT (adequate intake)														
 SYMPTOMS (0–10 scale)														
 ENERGY (0–10 scale)														
 MOOD (0–10 scale)														
 NOTES														

SYMPTOMS / NOTES KEY EXAMPLES:

Headache, fatigue, brain fog, skin issues, bloating, constipation, diarrhea, joint pain, mood changes, etc.

COMMON DETOX SYMPTOMS & HOW TO MANAGE

HEADACHES

Drink water, add
salt, rest.

FATIGUE

Eat more, especially
fat. Get extra rest.

DIGESTIVE CHANGES

Normal during detox.
Stay consistent.

SKIN REACTIONS

Your body is
eliminating toxins.

BRAIN FOG / IRRITABILITY

Give it time. Hydrate
and eat enough.

REMEMBER:

Simplicity is power.
Consistency is key.
Your body was
designed to heal.

STAY THE COURSE.

KEEP IT SIMPLE. STAY CONSISTENT. **BECOME UNSTOPPABLE.**
